- The Group has considered the possible effects that may result from the global health pandemic relating to COVID-19 on its operations. Management believes that it has taken into account external and internal information for assessing the possible impact of COVID-19 on various elements of its financial results, including its liquidity position and the recoverability of assets. However, the impact assessment of COVID-19 is a continuing process, given the uncertainties associated with its nature and duration. The Group will continue to monitor any material changes to future economic conditions and the consequent impact on its business, if any
