**Limited Review Report on Quarterly Financial Results of Dar Credit and Capital Limited for unaudited quarterly and nine months results ended on 31<sup>st</sup> December 2024 pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Review report to Board of Directors of Dar Credit and Capital Limited,

We have reviewed the accompanying statement of unaudited financial results of Dar Credit and Capital Limited for the quarter and nine months ended on 31<sup>st</sup> December 2024. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention except as reported in the financial results that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

Our conclusion is not modified in respect of this matter.

## Notes to the Financial Results for the quarter and the nine months ended 31.12.2024

1. The Unaudited Financial results for the quarter and nine months ended 31<sup>st</sup> December, 2024 ("The Statement") of Dar Credit & Capital Limited (the "Company") have been prepared in accordance with GAAP. These financial results together with the results for the comparative reporting period have been prepared in accordance with the recognition and measurement principles prescribed under accounting principles generally accepted in India.
2. The Company is a Non-Systematically Important Non-Deposit taking Non-Banking Financial Company (NBFC-ND) registered with the Reserve Bank of India (RBI).
3. The above financial results have been reviewed by the audit committee. The results have been approved by the Board of Directors of the company at their meeting held on 21<sup>st</sup> January, 2025.
4. In compliance with Regulation 52 of the Securities Exchange Board of India ('SEBI') (Listing Obligations and Disclosure Requirements) Regulations, 2015 a limited review of financial result for the quarter and nine months ended 31<sup>st</sup> December, 2024 has been carried out by the Statutory Auditors of the Company. The financial information for the quarter and nine months ended 31<sup>st</sup> December, 2024 were prepared by the Management and approved by the Company's Board of Directors and have not been subject to Limited Review.
5. The figures for the quarter ended 31<sup>st</sup> December, 2024 are the balancing figures between unaudited figures of nine months ended 31<sup>st</sup> December, 2024 and unaudited figures for the six months ended 30<sup>th</sup> September, 2024.
6. The Company has considered the impact of changes in Deferred Tax during the period.
7. Borrowing Costs-The Company recognizes borrowing costs as an expense in the period in which they are incurred. Effective from mid-September, the company has changed its accounting policy to amortize loan processing costs. Given the impracticality of determining the retrospective impact, this change has been applied prospectively in accordance with applicable accounting standards.
8. We draw attention to Note [1] of the financial statements, which states that the company has prepared restated financial statements for IPO purposes, incorporating changes such as deferred tax calculation based on WDV timing differences and valuation of mutual funds and shares at cost. However, these restated financial statements have not been approved by the National Stock Exchange (NSE).

The changes outlined in the restated financial statements are planned to be implemented during the statutory audit for the year ending March 31, 2025, with any retrospective adjustments disclosed in the annual financial statements, if material. Management has assessed that the deferment of these changes does not materially impact the interim financial statements for the quarter ended December 31, 2024.

9. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1<sup>st</sup>, 2023. The company activated Edit Log feature on April 22<sup>nd</sup>, 2024 Following an upgrade to Edit Log version of the software.

The deferred tax charge or benefit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent the is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written-down or written-up to reflect the amount that is reasonably/virtually certain to be realised.</p>        |
