CHAIRMAN'S CORNER

My dear Shareowners and all Stakeholders;

It gives me great pleasure to present before you all the 29th Annual Report of your Company. I am happy to state that Financial Year 2022-2023 was a consolidated year for your company. Amid an uncertain economic environment and challenging industry dynamics, we continued to perform with resilience. This performance has been supported by our relentless focus on building our capabilities and disciplined approach towards improving our service. The company's performance as detailed in this report is very robust. In the business of lending, striking the balance between growth and quality is of paramount importance. We at DCCL are committed to the same, evident from our long track record.

It has been a journey where our resilience and capabilities were tested time and again. It is worth sharing with all of you that every time our resolve got stronger.

Any Company is as good as its human resource and it is no different at DCCL. The Company has been served by one of the most dedicated and competent core team responsible to propel the Company towards its Mission and Vision each day. Learning and unlearning on a daily basis remains the main plank of the human resource development.

The ultimate aim is to serve the customers in the most efficient manner, the key to sustainability and scalability. The opportunity that we get while serving the key customer base mainly in the MSME segment is enormous. It is a huge market characterized by excellent entrepreneurs across the segment and the size of the business units we deal with. It will not be an exaggeration to mention that, we draw our inspiration from their hard work and resilience despite the fact that

They have to face numerous challenges for their survival and growth. We endeavor to work closely with them and become their partner in their journey of growth through our financial advice and lending.

The successful journey so far is quite motivating, but in the same vein every New Year comes with its own set of challenges, which we reckon as opportunities.

This enthusiasm to take every challenge as an opportunity has played a vital role in laying the foundation of this Company.

We are committed to our mission of excellence through endeavors and start this new financial year 2023-2024 with the same spirit and enthusiasm.

We are aware of the fact that we have miles to go and promises to keep and firmly believe that together we can and we will...

Business Outlook - NBFC Sector

NBFCs play a critical role in financial intermediation and promoting inclusive growth by providing last-mile access of financial services to meet the diversified financial needs of less-banked customers.

NBFC sector is witnessing some transformative trends. Thus, the business models of NBFCs are changing.

The NBFC segment has entered into a new business landscape wherein it needs to continuously strive to innovate and add new products to its toolkit. Core strength of NBFCs include customer base; strong distribution and servicing reach; higher risk appetite; flexible business model; physical points of presence; and faster scale-up and scale-down capability.

Effects of COVID-19 on NBFC Sector

NBFCs have navigated the challenges in the past couple of years by focusing on higher liquidity, capital and provisioning buffers. These, combined with improving economic activity, have put the sector in a comfortable position to capitalize on growth opportunities.

Way Ahead

NBFCs play an important role in economic growth and financial inclusion. As India's economy grows, the requirement for credit will rise more than proportionately. NBFCs will take the benefit of the market opportunity. For uplifting the future of NBFCs, NBFCs are learning to evaluate the overall market scenario and by approaching the new strategies to

lend to different segments. The future of NBFC calls for a reinvention of the business model of NBFCs, which will definitely result in better business processes, better execution, and underwriting. In recent years, the future of NBFCs is witnessing good growth in consumer lending. The liquidity position has improved and is gradually coming back to normal. In the future also, NBFCs will play a crucial role in economic development and in financial inclusion.

Scenario of your Company:

The total income for the financial year ended March 31, 2023 has increased to Rs. 25.52 Crores from Rs. 24.92 Crores. The Profit before Depreciation & Tax (PBDT) of the Company has increased to Rs. 4.24 Crores from 4.10 Crores. The AUM of the company has increased to Rs. 181 Crore as on 31.03.2022 to Rs. 188 Crore as on 31.03.2023.

The company has increased focus on collections which has helped the company in maintaining its asset quality. The Gross NPA amount was Rs. 138 Lacs and the Net NPA amount was Rs. 87 Lacs as on 31.3.2023.

The company will continue its thrust in financing personal loan and MSME loans. Since our company is engaged in small value loan and delivering credit to the last mile borrower, there is enormous opportunity to grow.

Financial Results:

I am happy to share that the Company could not only achieve the desired objective in terms of Assets under Management and profitability with impeccable quality, but grew immensely in confidence, that the strategy followed over the years has the strength to navigate through tough environment.

Through a very prudent liability management, we could very successfully navigate the situation without any negative impact on the profitability of the Company.

Dividend:

Since, the Company has been making profit, the board has decided to reward the shareholders with a token dividend of 5%. The board has decided to conserve the cash and therefore, proposed minimum payment of dividend.

Team DCCL's Joy of Performing:

As an Organization we have been constantly evolving challenging ourselves to raise the bar on innovation and strengthening our core to transform into a more agile and future-ready Organization. We have been working towards our goal to deliver distinctive and world-class customer experience through an optimal mix of human touch and technology.

Appreciation:

I would like to thank our regulators, Members of the Board, RBI, BSE, and our Bankers, NCD Holders and all stakeholders for their support in our journey. I would also like to thank all members of the DCCL family, who have partnered us in our journey at all times.

I also thank our customers for their sustained trust and confidence in the Company. I am confident that together, we shall continue to chart new frontiers of progress.

Looking Ahead

We have a strong commitment to our mission of "We make Life Simple" and we are aware of the fact that we have miles to go and promises to keep and I trust together we can and we will.

Thank You, With best wishes,

Ramesh Kumar Vijay

Chairman

Mission:

 To make the lives of the customers easy and happy by mitigating financial distress through provision of a range efficient financial services.

Vision:

 To provide professional financial services to low Income customers particularly in small towns, lacking access to such services from formal financial institutions and to emerge as a financially strong, ethical and socially inclined small loan finance institution.

Our Philosophy & Principles:

- Our customers are of paramount importance.
- Our Reputation must not be compromised.
- We care for our customers; we treat them as we wish to be treated.
- · The quality of our services should be par excellence.
- We retain complete confidentiality and secrecy of our customers financial affairs.
- · We maintain the highest professional standards and integrity.
- The Preservation of our stability is essential.
- · We emphasize on fairness and transparency towards all stakeholders.

Every customer has to have total confidence in "DAR CREDIT" because, without that there would be no customers and our raison D'etre would disappear.

Gross NPA and Net NPA shown an increase on account of increase in the loan portfolio.

8. Management Discussion & Analysis

Opportunities

In the present economic system of India, NBFCs have assumed a significant role in providing accessible and affordable financial services.

With the focus of NBFCs on segments traditionally neglected by banks (non-salaried professionals, individuals, traders and transporters), and with the ongoing stress on public-sector banks due to mounting bad debt, NBFCs have a lucrative opportunity to expand their presence in the Indian financial story.

The success of NBFCs can be clearly attributed to their ability to assess the credit worthiness of customers with informal income, superior product construct tailored to meet the needs of identified customer segment, excellent turn-around time (TAT) from lead to disbursement, wider and effective reach, strong risk management capabilities to check and control bad debts, and an overall better understanding of their customer segments.

Additionally, improving macroeconomic conditions, higher credit penetration, increased consumption and disruptive digital trends will allow NBFC's credit to grow at a healthy rate of 7–10% (real growth rate) over the next five years.

As the Indian customer evolves, NBFCs would need to leverage new technologies to improve the customer experience. Increasingly, financial transactions are conducted through electronic banking. As the consumer acceptance of e KYC and biometric authentication increases, fingerprint recognition has the potential of becoming the most commonly used technology for customer interactions. Adoption of the emerging and new technology would result in faster loan approvals and enrich customer experience.

Threat:

India's financial sector is facing considerable challenges. High non-performing assets especially of the Public Sector Banks, and the slow deleveraging and repair of corporate balance sheets are testing the resilience of the banking system, holding back investment and growth.

There has been explosive growth in the financial services sector in the recent few years. The advent of the new generation banks, full services banks, small finance banks and payment

banks has opened multiple opportunities for the available talent. Ensuring that the available talent remains committed with the Company, providing adequate career opportunities to existing talent pool and continuously building back up talent pool would be another key challenge for the industry.

The novel coronavirus has posed various challenges to the NBFC sector, which was recovering from the liquidity crisis in India.

Business Outlook

The Non-Banking Financial Company (NBFC) segment is expected to gain positive momentum in coming future. The growth of many NBFCs in India had been driven by higher-than-expected investment banking revenues and interest income. NBFCs had also mobilized their on-ground recovery staff to ramp up their collection efforts. NBFCs with a niche presence and strong pricing power are likely to witness margin expansion in the years ahead.

NBFC segment has entered into a new business landscape wherein it needs to continuously strive to innovate and add new products to its toolkit. Core strength of NBFCs include customer base; strong distribution and servicing reach; higher risk appetite; flexible business model and faster scale-up and scale-down capability. The NBFCs have also been fast in adopting newer technology led processes. Leveraging the above, product providers like NBFCs can consider expanding into marketplace driven platforms to serve a customer with multitude of products and services while ensuring customer protection.

9. Change in the Nature of Business, if any

There has been no change in the nature of business of the Company.

10. Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

INDEPENDENT AUDITORS' REPORT

To,
The Members of Dar Credit & Capital Ltd.
Report on the Audit of the Standalone Financial Statements.

Opinion

We have audited the accompanying financial statements of **Dar Credit & Capital Ltd.** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the rule of the Companies Accounts Rule 2014, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2023, and the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Amexures to Board's Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone financial statements of the current period. Those matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on those matters. We have determined that there are no reportable key audit matters.

Management's responsibility for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and total comprehensive income and cash flows of the company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process

Auditor's responsibilities for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Standalone financial statements, whether due
to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3) of the Act, we are also
 responsible for expressing our opinion on whether the Company has adequate internal financial controls
 system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances. We determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the order.
- 2. As required by Section 143(3) of the Act, based on our audit we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Standalone financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position except the one already mentioned in Para 3(vii) to Annexure-1 of Independent Auditor's Report;
- The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- c. There was no amount which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d. The management has represented that other than those disclosed in the notes to accounts:
 - No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - ii. No funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - iii. Based on such audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

e. The dividend declared or paid during the year by the company is in compliance with section 123 of the Companies Act, 2013.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF M/S. DAR CREDIT & CAPITAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act").

To,

The Members of Dar Credit & Capital Ltd.

We have audited the internal financials controls over financial reporting of Dar Credit & Capital Ltd. ("the Company") as of March 31", 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for out audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting- principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company-, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
